The October 19, 2016 briefing was scheduled by the COMELEC to discuss the protocol to be observed for the release of the one thousand three hundred fifty-six (1,356) units of contingency vote counting machines (VCMs), which were not actually deployed during the last May 9, 2016 National, Local and ARMM Elections.

Kindly give them access to the Training Room so they may be allowed to participate during the said briefing.

Thank you very much.

Very truly yours,
