PET Case No. 005

For: Election Protest
Vice-President

MEMORANDUM

Protestant **FERDINAND "BONGBONG" R. MARCOS, JR.** ("protestant Marcos"), through the undersigned counsels, unto this Honorable Presidential Electoral Tribunal ("PET"), most respectfully alleges the following:

1. On **21 October 2019**, protestant Marcos, through the undersigned counsels, received a copy of this Honorable Tribunal's *Resolution* dated 15 October 2019, which directed the parties to submit a **MEMORANDUM** within *twenty (20)* working days from receipt of a copy of the Resolution containing:

- I. Their comments on the report on the revision and appreciation of votes to the three (3) pilot provinces, Camarines Sur, Iloilo, and Negros Oriental as it relates to the Second Cause of Action;
- II. Their position on the following issues related to the Third Cause of Action:
 - A) Whether or not the results in the revision and appreciation of votes with respect to the Protestant's second cause of action moots or renders unnecessary the consideration of the Protestant's Third Cause of Action;

- B) Whether or not the Presidential Electoral Tribunal has the competence to resolve the Third Cause of Action;
- C) Assuming that the Presidential Electoral Tribunal has the competence to resolve the Third Cause of Action which is not mooted by the results of Tribunal's findings with respect to the second cause of action:
- 1) What are the filing rules and requirements that a party must observe if he or she seeks the relief of annulment of elections before the Presidential Electoral Tribunal?
 - 2) What is the threshold of evidence that is required to prove failure or annulment of elections?
 - 3) Will evidence other than those listed by the parties during the preliminary conference be considered?
 - 4) What percentage of votes/precincts needs to be proven as having been affected by the grounds for failure or annulment of elections?
 - 5) Will the threshold apply per province or to all three (3) provinces? Can there be failure or annulment in some but not all three (3) provinces?
 - 6) Should a similar pilot testing rule be equally applied in annulment of election cases?
- D) Assuming that the Tribunal is convinced that there is basis to find for the Protestant in the Third Cause of Action:
- 1) Will this mean that the elections for all the elective positions in the ballot be nullified with all its attendant legal consequences?
 - 2) Can our declaration as the Presidential Electoral Tribunal or the Supreme Court be a bar for any question relative to any present and future electoral protest involving the same area and for any position?
 - 3) Will it be necessary to call for special elections for the position of Vice President? If so, who has the competence to call for such elections?
 - 4) Will this mean "recovery" for the Protestant under Rule 65, which will, in turn, mean revision of all his contested precincts nationwide?

5) What will be the effect of our ruling on Protestant's Third Cause of Action on protestee's counter protest?

The voluminous documents mentioned in this Resolution as its Annexes shall be made available to the Parties or their counsels or authorized representatives for their inspection, review, or when practicable and with prior leave, for their photocopying within reasonable business hours at the office of the Tribunal.

2. Thereafter, protestant Marcos filed an *Omnibus Motion* [i. To photocopy the relevant report/s on the revision and appreciation of votes relating to the three (3) pilot protested provinces of Camarines Sur, Iloilo and Negros Oriental and ii. To defer the submission of the required comment on the said report] dated **22 October 2019**.

3. In a *Resolution* dated **5 November 2019**, this Honorable Tribunal resolved among others, to **GRANT** protestant's Omnibus Motion and to **DIRECT** the parties to **SUBMIT** their respective memoranda within *twenty (20)* days after completion of the requested viewing and photocopying.

4. On **18 November 2019**, this Honorable Tribunal commenced with the photocopying of the annexes to the *Resolution* dated **15 October 2019** and the same was completed on **29 November 2019**. The parties were given the hard copies of the requested annexes on even date.

5. Hence, the parties have *twenty (20)* days from 29 November 2019 or until **19 December 2019** to file their respective memoranda. Therefore, the foregoing **Memorandum** for the protestant is timely submitted before this Honorable Tribunal.

6. As mentioned earlier, the first part of this Memorandum focuses on protestant Marcos' comments relative to the report on the revision and appreciation of votes concerning the three (3) pilot protested provinces of Camarines Sur, Iloilo, and Negros Oriental as it relates to the Second Cause of Action.

7. The Second Cause of Action involves the **re-opening** of the ballot boxes and the **manual recount, judicial revision, technical examination** and **forensic investigation** of the paper

ballots and / or the ballot images, voter's receipts, election returns, audit logs, transmission logs, the lists of voters, particularly the Election Day Computerized Voter's List ("EDCVL") and voters registration records ("VRRs"), the books of voters and other pertinent election documents and / or paraphernalia used in the elections, as well as the automated election equipment and records such as the VCM, the SD cards (main and back up), and the other data storage devices containing electronic data and ballot images in **each** of the **thirty-six thousand four hundred sixty-five (36,465)** protested clustered precincts which functioned in *Cebu Province, Leyte, Negros Occidental, Negros Oriental, Masbate, Zamboanga Del Sur, Zamboanga Del Norte, Bukidnon, Iloilo Province, Bohol, Quezon Province, Batangas, Western Samar, Misamis Oriental, Camarines Sur, 2nd District of Northern Samar, Palawan, Albay, Zamboanga Sibugay, Misamis Occidental, Pangasinan, Isabela, Iloilo City, Bacolod City, Cebu City, Lapu-Lapu City and Zamboanga City* on the ground of violence, intimidation, vote-buying, substitution of voters / presence of flying voters, misreading of ballots, malfunctioning and tampered VCM and CCS, pre-loaded SD cards, and an abnormally high turn-out of unaccounted votes/undervotes for the position of Vice-President thereat.

8. In compliance with **Rule 29(b)(4)** in relation to **Rule 65** of the **2010 PET Rules**, protestant Marcos designated the provinces of Camarines Sur, Iloilo and Negros Oriental as his three (3) pilot protested provinces.

9. The revision of ballots in this case officially commenced on **2 April 2018** and was completed on **4 February 2019**.

10. Thereafter, the appreciation of the revised ballots from the pilot provinces started on **14 January 2019** and was completed on **14 August 2019**. The overall result of the revision and appreciation of ballots was contained in the **15 October 2019 Resolution** of this Honorable Tribunal.

11. As mentioned above, on **18 November 2019**, this Honorable Tribunal commenced with the photocopying of the annexes to the *Resolution* dated **15 October 2019** and the same was completed on **29 November 2019**.

12. Having received the hard copies of the requested annexes on even date, both parties were given *twenty (20)* days from 29 November 2019 or until **19 December 2019** to file their respective memoranda, which should include their comments to the report on the revision and appreciation of votes concerning the three (3) pilot protested provinces of Camarines Sur, Iloilo, and Negros Oriental as it relates to the Second Cause of Action.

**COMMENT/OPPOSITION TO THE PRELIMINARY
APPRECIATION REPORT ON THE PILOT PROTESTED

During the judicial revision and recount of the pilot protested provinces, the parties were given the opportunity to raise their respective objections on the ballots of the opposing party and/or to record and submit their claims. Thereafter, the Honorable Tribunal conducted the Preliminary Appreciation of the revised ballots from these protested pilot provinces.

15. After extensively reviewing the relevant annexes to the *Resolution* dated **15 October 2019**, protestant Marcos is now constrained to move for the **review and re-examination** of the following revised ballots and the **reconsideration** of the findings and conclusions contained in the questioned Preliminary Appreciation Report. To be more specific, protestant Marcos is questioning the ruling of the concerned Preliminary Appreciation Committees on the following ballots:
