**MANIFESTATION AND COMMENT
(ON THE MANIFESTATION AND COMPLIANCE
[RE: LIST OF WITNESSES FOR THE THIRD CAUSE OF
ACTION] DATED 09 OCTOBER 2017)**

PROTESTEE **MARIA LEONOR G. ROBREDO**, by the undersigned counsel, to the Honorable Tribunal, respectfully states:

1. In his vain attempt to convince the Honorable Tribunal to conduct a technical examination of election documents in the Provinces of Lanao del Sur, Maguindanao and Basilan simultaneous with the judicial recount and revision of the ballots, protestant Ferdinand R. Marcos, Jr. (hereafter "Marcos" for brevity) has practically resorted to misleading if not totally deceptive representation.

2. While protestant Marcos, by his own submission, gave the impression that his witnesses in the Provinces of Lanao del Sur, Maguindanao and Basilan would be registered voters, a painstaking review of the Certified List of Voters revealed that his proposed witnesses are not registered voters of the precincts as stated in his list.

3. Worse, some are not even registered voters during the 09 May 2016 National and Local Elections.

4. In his Preliminary Conference Brief 15 June 2017, protestant Marcos reserved the presentation of **registered voters** from the Thirty Nine Thousand Two Hundred Twenty One (39,221) protested clustered precincts, to identify their respective ballots and/or ballot images, voter's receipts and signatures on the lists of voters, particularly the Election Day Computerized Voter's List (EDCVL), voter's registration records (VRRs), and the books of voters used during the 09 May 2016 National and Local Elections.¹

5. During the Preliminary Conference last 11 July 2017, the parties agreed that a new list of witnesses limited to three (3) per clustered precinct will be submitted.²

5.1. The list of the witnesses must indicate the precincts involved in the testimony of each affiant.

6. However, instead of submitting his list of witnesses, protestant Marcos reiterated his reservation on the presentation of **three (3) registered voters** to identify the paper ballots and/or ballot images, voter's receipts, and signatures on the lists of voters, particularly the Election Day Computerized Voter's List (EDCVL), voter's registration records (VRRs) and the books of voters used in the 09 May 2016 National and Local Elections in each of the **Two Thousand Seven Hundred Fifty Six (2,756)** protested clustered precincts of Lanao del Sur, Maguindanao and Basilan that functioned during the 09 May 2016 National and Local Elections.³

7. In the Resolution dated 29 August 2017, protestant Marcos was directed by the Honorable Tribunal *to submit a new list of witnesses for the Third Cause of Action in compliance with the Tribunal's directive to limit the number of witnesses to three (3) per clustered precinct and to identify the concerned clustered precinct, within a non-*

extendible period of five (5) days from receipt hereof; otherwise, the Tribunal will deem protestant's non-compliance as waiver of his right to name and identify his witnesses for his Third Cause of Action and to eventually present witnesses during the reception of evidence.

8. Despite being directed to do so, in his Manifestation and Compliance dated 08 September 2017, protestant Marcos once more failed to submit his list of witnesses.

9. Instead, protestant Marcos reiterated his previous reservation on the *presentation of two (2) registered voters in each of the **two thousand seven hundred fifty six (2,756)** protested clustered precincts of Lanao del Sur, Maguindanao and Basilan that functioned during the 09 May 2016 National and Local Elections to identify their respective signatures in the EDCVL, VRRs and books of voters as well as their respective paper ballots and/or the ballot images and voter's receipts used during the last 09 May 2016 National and Local Elections. The names of these **registered voters** shall be disclosed in a separate request for the issuance of subpoena duces tecum ad testificandum due to security reasons.*⁴

10. In the Resolution dated 19 September 2019, the Honorable Tribunal required protestant Marcos to **STRICTLY COMPLY** with the resolution dated August 29, 2017 directing him to identify his witnesses and the concerned clustered precincts subject of their testimonies within a **FINAL** and **NON-EXTENDIBLE** period of five (5) days from notice hereof.

11. On 24 October 2017, protestee Maria Leonor G. Robredo (hereafter "Robredo" for brevity) received copy of the Manifestation and Compliance [Re: List of Witnesses for the Third Cause of Action] dated 09 October 2017 filed by protestant Marcos.

12. By way of preliminary to his submission, protestant Marcos reiterated that:

⁴ Paragraph 4, Manifestation and Compliance [Re: List of Witnesses for the Third Cause of Action] of protestant Marcos.

"3. He likewise reserved the presentation of two (2) registered voters in each of the **two thousand seven hundred fifty six (2,756)** protested clustered precincts of Lanao del Sur, Maguindanao, and Basilan that functioned during the 09 May 2016 National and Local Elections to identify their respective signatures in the EDCVL, VRRs and books of voters as well as their respective paper ballots and/or the ballot images and voter's receipts used during the last 09 May 2016 National and Local Elections. However, protestant Marcos did not disclose the names of these registered voters whom he intends to present as witnesses in his Manifestation and Compliance dated 8 September 2017 for security reasons because of his fear that his intended witnesses will be subjected to threats, intimidation and harassment if their identities are divulged." [Emphasis and underscoring supplied.]

13. In an attempt to lend some semblance of credibility to his allegations of electoral frauds, anomalies and irregularities in the Provinces of Basilan, Lanao del Sur and Maguindanao, protestant Marcos submitted the names of more than Eight Thousand (8,000) alleged registered voters.

14. Contrary to these baseless claims, if not outright falsehood, the alleged witnesses identified by protestant Marcos are not registered voters.

15. For example, a verification of the names of these alleged registered voters in the Certified List of Voters for the 09 May 2016 National and Local Elections in the **Province of Basilan** revealed that:

------	--	-----------------	-------------------	-------

16. Protestant Marcos has repeatedly informed the Honorable Tribunal that he is presenting registered voters in the Provinces of Basilan, Maguindanao and Lanao del Sur.

17. These registered voters will allegedly identify their respective signatures in the EDCVL, VRRs and Books of Voters.

18. With his present submission for the Province of Basilan, how can these alleged witnesses be able to identify their signatures in the EDCVL when they were not even registered voters.

19. Further, with respect to the other alleged registered voters, how can they identify their signatures in the EDCVL when they are not even registered in the barangays as found in the list submitted by protestant Marcos?

20. Finally, protestant Marcos cannot be allowed to belatedly change or substitute the names of these alleged witnesses despite the previous reservation made.

21. Protestant Marcos can easily claim that his alleged witnesses submitted to the Honorable Tribunal are not available.

22. Worse, protestant Marcos even made a further reservation on the presentation of additional witnesses.

23. To allow him to do so, will be a circumvention of the three (3) Resolutions of the Honorable Tribunal.

24. Since he was directed to do so, protestant Marcos had two (2) months within which to finalize his list of witnesses.

25. However, despite the ample time and chances liberally given to him, protestant Marcos still submitted a dubious list of witnesses.

26. Protestant Marcos, from the time that he filed this Election Protest, has boasted in national media that he has more than enough witnesses to bolster his allegations of electoral frauds, anomalies and irregularities.

27. To date, this remains to be seen.

28. Once more, his own submissions show that protestant Marcos is grasping at straws in his desperate attempt to convince the Honorable Tribunal of the veracity of his allegations of electoral frauds, anomalies and irregularities.

29. Protestant Marcos must be reminded that the Honorable Tribunal is a court of law which deals with facts supported by evidence.

30. The plain truth is, the Election Protest filed by protestant Marcos is not supported by his own supposed evidence.

RESPECTFULLY SUBMITTED.

COMMISSION ON ELECTIONS

SECOND DIVISION

ABDUSAKUR M. TAN,
Protestant,

EPC NO. 2016-37

-versus-

MUJIV S. HATAMAN,
Protestee.

DEC 05 2019

x-----x

ORDER

For resolution by the Commission (*Second Division*) is an *Election Protest*¹ filed on 24 May 2016 by Abdusakur M. Tan ("Protestant"), seeking the nullification of proclamation of Mujiv S. Hataman ("Protestee") as Regional Governor of the Autonomous Region in Muslim Mindanao ("ARMM") in the 09 May 2016 National and Local Elections (2016 NLE).

During the pendency of the case, or on 27 July 2018, the President of the Philippines signed into law R.A. No. 11054 entitled "*An Act Providing for the Organic Law for the Bangsamoro Autonomous Region in Muslim Mindanao, Repealing for the Purpose Republic Act No. 6734, Entitled "An Act Providing for An Organic Act for the Autonomous Region in Muslim Mindanao," As Amended by Republic Act No. 9054, Entitled "An Act to Strengthen and Expand the Organic Act for the Autonomous Region in Muslim Mindanao."*

¹ Records, at 3 to 19.

On 25 January 2019, the Commission proclaimed that Republic Act No. 11054 has been ratified by majority of the people in the core territories of the new autonomous political entity, the Bangsamoro Autonomous Region in Muslim Mindanao ("BARMM"), effectively replacing ARMM.

Under Article 16 of R.A. No. 11054, the transition period for the establishment of BARMM shall commence upon the ratification of this Act. R.A. No. 11054 also mandated the creation of the Bangsamoro Transition Authority ("BTA") which shall be the interim government in BARMM during the three-year transition period. The first regular elections for BARMM government shall be held and synchronized with the national elections in 2022, and upon the election and qualification of the Chief Minister under the First Parliament, BTA shall be deemed dissolved.

Further it is provided in Section 2, Article 16 of R.A. 11054, thus:

"xxx

The Bangsamoro Transition Authority shall be composed of eighty (80) members, who shall be appointed by the President: *Provided, That, in addition, the elected officials of the Autonomous Regional Government in Muslim Mindanao shall automatically become members of the Bangsamoro Transition Authority and shall serve until noon of the 30th of June 2019: Provided, further, That non-Moro indigenous communities, youth, women, settler communities, traditional leaders, and other sectors shall have representatives in the Bangsamoro Transition Authority*" (Emphasis supplied)

On 26 February 2019, BTA leaders formally took over ARMM. Based on the aforementioned provision, herein protestee Hataman should have been an automatic member of BTA until noon of the 30th of June 2019, but he refused to assume office upon turnover.²

² <https://news.abs-cbn.com/news/02/26/19/bangsamoro-transition-leaders-formally-take-over-armm>

By virtue of R.A. 11504, no elections were conducted for the Regional Government of ARMM during the 13 May 2019 National and Local Elections.

Correspondingly, the term of office of the Regional Governor of ARMM relative to the 09 May 2016 NLE has expired on 30 June 2019. The effect of the end of a term to a pending election protest has been explained by the Supreme Court in *Sales v. COMELEC, Ragucos and Benemerito*,³ thus:

"[w]ith the expiration of the tenure of the contested mayoralty position subject of this Petition on 30 June 2007, no practical or useful purpose would be served by passing on the merits of Sales's (*sic*) contentions. Courts will not determine a moot question in a case in which no practical relief can be granted. It is unnecessary to indulge in academic discussion of a case presenting a moot question, as a judgment thereon cannot have any practical; legal effect or, in the nature of things, cannot be enforced."

In view of the expiration of the term of the contested office, the Commission (*Second Division*) is of the stance that the resolution of the instant *Election Protest* will not have any useful purpose. Neither will it have any practical legal effect.

ACCORDINGLY, the Commission (*Second Division*) hereby **RESOLVES to DISMISS** the Election Protest for being **MOOT**.³

SO ORDERED.

Presiding Commissioner
